FARM NATURA

'Farm Natura' is designed for a life close to the heart and bringing a great connection between mind, body and soul and imparting an experience of farm style living, bestowing a great opportunity to live different, midst the hustle of city life.

Beside the natural appreciation of land, the project has been designed with an intent to retain the land fertile and green and not to spoil land in the name of development.

OUR PASSION

Our passion is to promote the “Agri” based Culture and bringing back the Ecological balanced Lifestyle with Health and Happiness. We respect the Mother Nature and nourish the land by restoring its original fertility back into its Natural State for the generations to come.

OUR CONCEPT

Health

-  Organic Natural Farming
-  Natural Food
-  Natural Rice
-  Vegetables
-  Country Chicken
-  Natural Desi Cow Milk&curd

Happiness

-  Farm Work
-  Cycling
-  Farm Stay
-  Caring Pet
-  Mental Health
-  Gaushala

RESPECT MOTHER NATURE & LAND

“ We are part of nature; therefore, we must coexist with the other creatures that live among us. ”

LAND THAT APPRECIATES

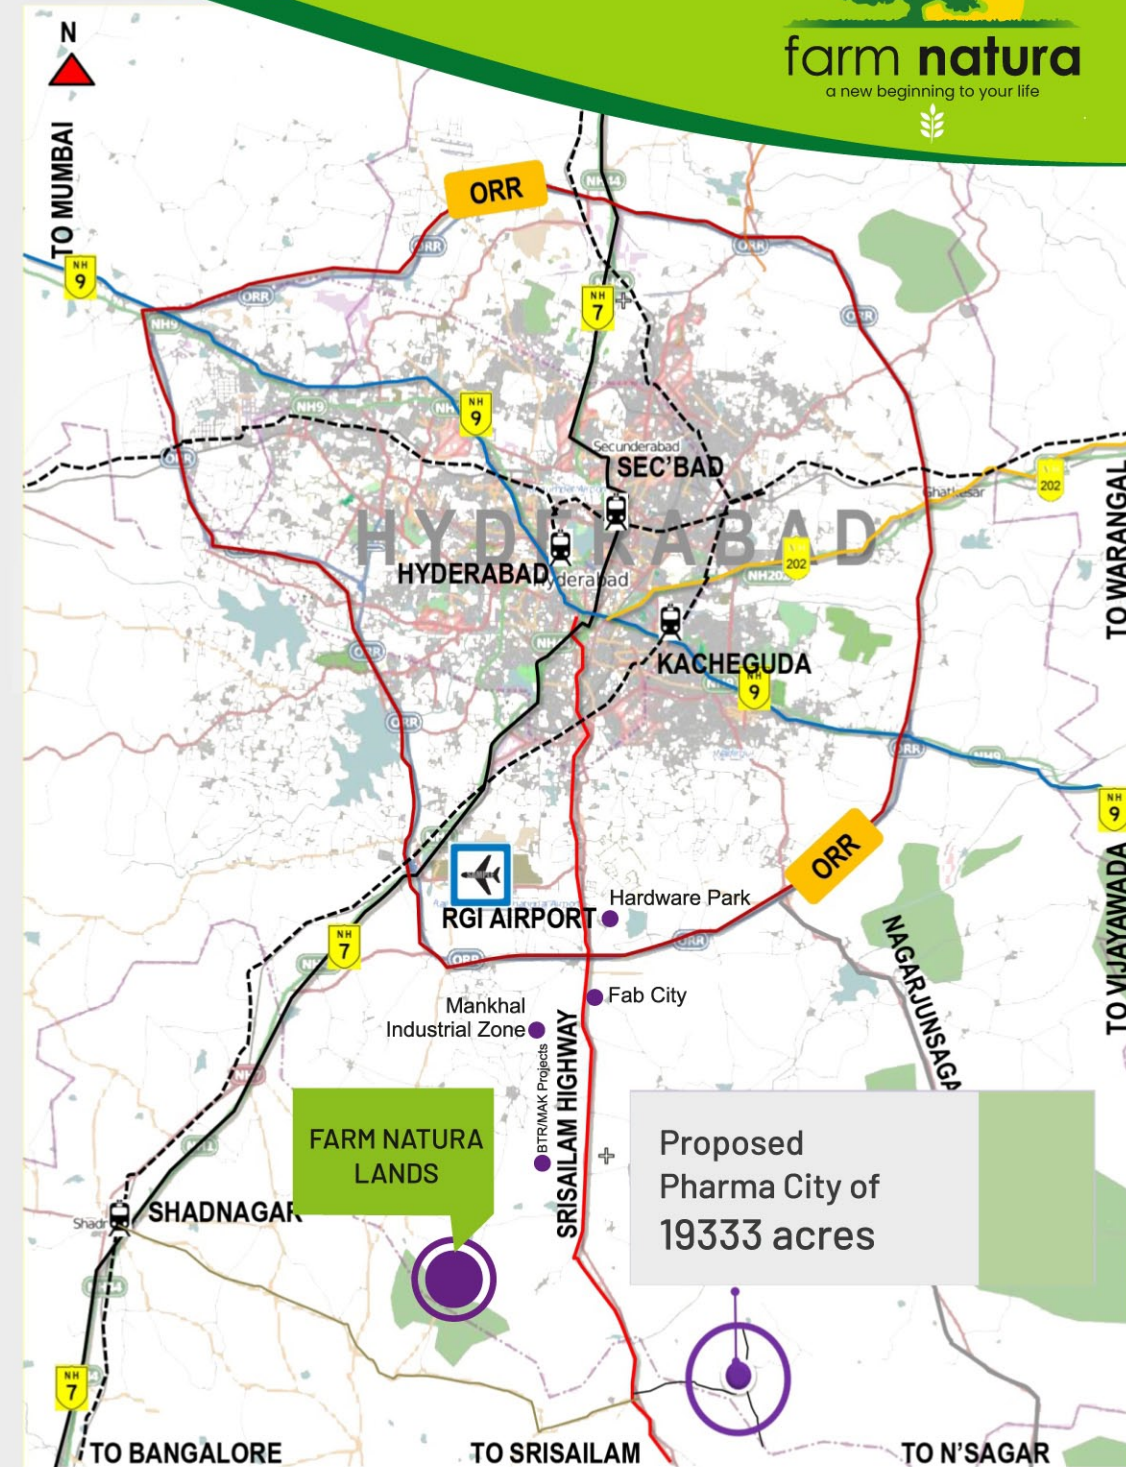

- ⚡ Beside the natural appreciation of land rate, any stone movement in the Proposed Pharma City of 19333 acres, the price of Lands are expected to grow multi folded.
- ⚡ Closer to the major developments and residential Communities and within the proposed Regional Ring Road.

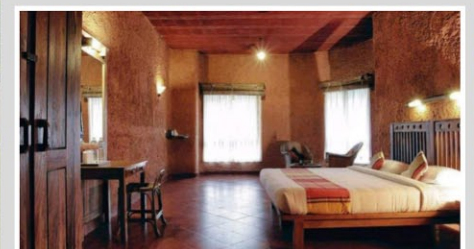

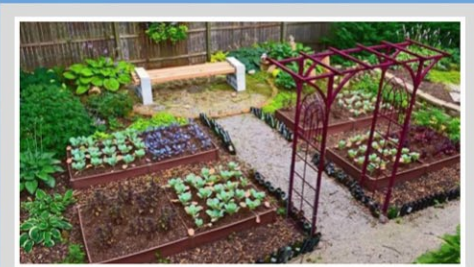

LOCATION ADVANTAGES

- ⚡ Farm Lands Within the Limits of HMDA
 - ⚡ Natural Contours Of Land
 - ⚡ Rich Black Cotton Soil
 - ⚡ Near To Village
 - ⚡ Close To Major Development
 - ⚡ Approach of 60 Ft Master Plan Road
- ⚡ Project site is located at Kandukur Mandal - Ranga Reddy District at a distance of 22 km from Hyderabad Outer Ring Road (ORR) and ~ 26 km from Hyderabad International Airport. Location of project site depicted in the map.
